

Department of Technical Education

To

The Principal(s) of All Govt. Govt. Aided and
Self financing Polytechnic Colleges

Sir,

I am happy to introduce an innovative project launched by IIT Bombay under NMEICT. This is a free open source software training offered by Spoken Tutorial project, IIT Bombay. Software like C/C++, Java, PHP MySQL and Python are very good for the job market. These training workshops can be included easily in the current lab hours.

This training for your students, can be held in the campus itself. Spoken Tutorial is a unique Audio Visual instructional tool which trains in the Distance Learning method.. This project is an initiative of NMEICT, MHRD, Govt. Of India. Hence, the training is FREE of Cost. We want the youth in our state to take advantage of this program.

PHPMySQL is very useful in the job market for eg. In data base management jobs. The training is [2 hours for workshop + self revision – 2 – 3 weeks + 1 hour assessment test], dates and timings of the workshops and tests can be decided by you according to their convenience. Certificate will be given from Spoken Tutorial Project, IIT Bombay

Other softwares include Linux, LaTeX, Scilab, Python, Java, C/C++, open FOAM Blenders, K-Turtle

DoTE along with trainers from IIT Bombay will organise 1st round of training for the Polytechnic Teachers (one from each polytechnic) during **16th – 20th September 2013**. Each polytechnic must select the model faculty who will act as a coordinator for this program. To ensure proper usage of this unique opportunity the following steps should be taken by each Polytechnic.

1. Identify the nodal person from among the interested faculty
2. Inform the name and contact details to DoTE at the email id dote.tn@nic.in
3. Allocate computer lab space to ensure that enough resources are available.
4. The faculty in charge should coordinate with others and Principal to ensure that students are given batch timings and encouraged to utilise this material.
5. Efforts should be made to cover all computer/ electronics students in first phase and expand it to other branch students subsequently.
6. In case of any confusion, DoTE should be contacted without any delay.

Please visit <http://spoken-tutorial.org>

For more details regarding the courses, please contact
Mr. Mohamed Kasim at mkasimh@gamil.com – Mob:09003707005
Ms. Shyama Iyer at sizshyama@gmail.com – Mob: 09702545816
Ms. Visalakshi at spcudte@hotmail.com

Ms. Usha at dote.tn@nic.in

(Sd/-)

Commissioner of Technical Education

FREE OPEN SOURCE SOFTWARE TRAINING

Offered by Spoken Tutorial Project, IIT, Bombay.

NOTIFICATION AMENDMENT

The first round of Open Source Software Training is to be conducted for faculty members of **149 selected (see ANNEXURE) Polytechnic Colleges** in Tamil Nadu, in 4 regions, by IIT, Bombay, free of cost, as detailed below:

- 1) COIMBATORE AND SALEM Region
Venue : PSG Polytechnic College, Coimbatore
Date : 17.9.2013
Duration: 2 Hours – from 10.00 AM to 12.00 Noon
Contact Person: Dr. Arasu, Continuing Education Manager
Ph: 9842296268
- 2) MADURAI Region
Venue : Tamil Nadu Polytechnic College, Madurai
Date : 18.9.2013
Duration: 2 Hours – from 10.00 AM to 12.00 Noon
Contact Person: Mr. A. Pichumani, Continuing Education Manager
Ph: 9944552757
- 3) TRICHY & THANJAVUR Region
Venue : Govt. Polytechnic College, Trichy
Date : 19.9.2013
Duration: 2 Hours – from 10.00 AM to 12.00 Noon
Contact Person: Mr. Mukesh, Continuing Education Manager
Ph: 9865483535
- 4) CHENNAI Region
Venue: CENTRAL Polytechnic College, Chennai
Date : 20.9.2013
Duration: 2 Hours – from 10.00 AM to 12.00 Noon
Contact Person: Mr. Baskar, Continuing Education Manager
Ph: 9444942640

The Principals of Participating Colleges are instructed to depute one faculty member to attend the above training and intimate the participant details to the host Institution.

TA/DA for the participants for attending the above workshop have to be borne by the participating Institutes.

**COORDINATOR-SPCU
DOTE, CHENNAI.**
