Notice

To: All Principals and Faculty, Colleges Participated and Registered in Master Training Event

USERC recommends all the Colleges to start Spoken Tutorial FOSS Training for the Students 2016-2017.

About Spoken Tutorial- Uttarakhand Science Education and Research Centre (USERC) Dehradun with IIT Bombay, Spoken Tutorial (ST) program has partnered to work with the towards empowering all students pursuing Higher Education – UG and above by providing a range of IT Skills training from General IT/ Computer Skills to Programming software to lucrative job oriented software training. *With Certificates completely **FREE of COST!*** The courses are useful for the students of various Departments. All Colleges must take the steps to introduce this program So that no one is left out. http://spoken-tutorial.org.

Procedure to Implement: The procedure to implement the Program is very simple

- **1st Step:** Prepare Master Batch list (*Master Batch Instructions* by 20th December
- *Prepare list* covering all the departments students from BCA, B.Com, B.Sc. etc, Meanwhile also complete the Registration process (*Faculty Coordinator Registration Instructions*) by 15th December
- **2nd Step:** Start filling Semester Training Planner form on the website,(*Semester Training Planner (STP) Instructions*) by 25th December
- **3rd Step:** Mark the participant list (*Mark Participant List Instructions*) by 31st Dec.

Important: It is necessary that all the colleges should introduce the training so that the students can benefit by getting jobs, learning advanced IT skills and improving exam performance. Later Colleges will lead and conduct the Awareness workshop for the nearby colleges in the districts.

Support from IIT Bombay, USERC & UOU team

Guidance from start and continuing for each and every college coordinator on Registration, getting the course materials, tests and certificates, conducting the awareness workshop

Spoken-tutorial

spoken-tutorial

The Spoken Tutorial project is the initiative of the **'Talk to a Teacher'** activity of the *National Mission on Education* through **Information and Communication Technology (ICT)**, launched by the **Ministry of Human Resources and Development, Government of India.**

The use of spoken tutorials to popularize software development and its use will be coordinated through this website.
(The Spoken Tutorial project is being developed by IIT Bombay for MHRD, GOI).
