C-DEEP, VNIT, Nagpur is organizing Workshop on Spoken – Tutorial, conducted by IIT Bombay, supported by NMEICT, MHRD, Govt. of India, on the following software languages:

1. Linux
2. LaTeX
3. Scilab
4. Python
5. Java
6. C / C++
7. Blender
8. PHP & MySQL
9. LibreOffice
10. GIMP
11. GeoGebra
12. OpenFOAM
13. KTurtle

The spoken tutorial is a two hour video session to teach software and it helps learning Open Source Software independently. After two to three weeks from the date of workshop, the online test will be conducted by IIT Bombay and on successfully passing the test, IIT Bombay will issue the certificates.

For more information, please visit: <http://spoken-tutorial.org>

Those who are interested in learning the above softwares, can contact C-DEEP office, second floor, Administrative Building, VNIT, Nagpur or can send the email to dep@vnit.ac.in with name, department and the name of the softwares to be learned, on or before 19th January 2017.

Dr. B. S. Umre

RC Coordinator
