IIT Bombay

Partnership Agreement between Department of Higher Education(DHE), Haryana
and
Spoken Tutorial (ST) - IIT Bombay, NMEICT, MHRD, Govt. Of India as Knowledge Partner

About Spoken Tutorial – It is an audio-video method to learn Software. These are for Skills and to improve Academic performance. It is designed for self learning (no expert needed) and distance education mode (no need to leave campus). It is an NMEICT, MHRD, Govt. Of India funded national project so the courses, training, day to day guidance and certificates are all completely FREE of COST for life.

Purpose of Collaboration

The reason to approach DHE for ST as Knowledge Partner, is so that the reach, awareness and spread of ST training is much faster and reaches many more colleges via state govt., higher education authorities than if we worked alone. eg. Cells in Knowledge Centers, Circular, Notices, Organised trainings etc. We were happy to note that our programs are in line with some of Haryana DHE Objectives. We are actively working with Punjab, Madhya Pradesh, Odisha, Gujarat, Uttarakhand, Himachal Pradesh, Karnataka, Maharashtra, Assam & Tamil Nadu Higher Education department. too.

Department of Higher Education, Haryana will -

- Identify a Chief Central Co-ordinator from the department who will actively work and co-ordinate with Spoken Tutorial team, IIT Bombay to roll – out and introduce the project into all degree colleges in the state.
- Put up the signed agreement note on the DHE Haryana website along with Spoken Tutorial site link and Haryana Training Coordinator Mr. Rudra Biswas's contact details and issue hard-copy notifications to all college Principals to introduce and roll out the Spoken Tutorial based software training in colleges.
- Hold a half-day Master Trainers program for Faculty representatives from District Knowledge Centers.
- Offer General IT Skills package in select rural colleges – in Hindi/Punjabi also available
- Have a monitoring system to track the progress made by the different colleges, suggest bi-monthly reports from colleges to DHE and ST, IITBombay.

Mr. Rudra Biswas, ST-IIT Bombay, Training Coordinator for Haryana.

Contact details: rudrabiswas9@gmail.com, 08879248798.

Website link - www.spoken-tutorial.org

As a Partner, the Spoken Tutorial Project, IIT Bombay will -

- Work as a mentor for all the degree colleges in Haryana providing day to day support to teachers and guidance at the smallest departmental level
- Provide the know - how and course content which includes CDs/ DVDs, online material, instruction sheets and other training documents to all colleges free of cost.
- Provide certificates.
- Provide the promotional materials like posters, brochures, leaflets, banners etc., to the District Knowledge Centres, as they consider becoming a resource centre to help other colleges in the district.

General

- This agreement can be modified from time to time, if necessary, based on mutual agreement.

HARYANA SIGNS MOU WITH IIT MUMBAI FOR TUTORIALS

Friday, 17 February 2017 | PNS | Chandigarh | in Chandigarh

Like 0 Share G+ Partager 62 Tweet

Haryana Department of Higher Education has signed a Memorandum of Agreement with IIT Mumbai, under which the latter will provide spoken tutorials for various IT-based softwares for the students of government colleges in the state.

Under the MoU, the E-content will be provided to the students for use anywhere and anytime.

The memorandum was signed by Mahavir Singh, Principal Secretary, Higher Education, on behalf of the Haryana Government, and Rudra Biswas, IIT Bombay, in Government College, Sector 1, Panchkula during the state-level workshop of principals and faculty of government colleges.

Mahavir Singh, who presided over the workshop, emphasized the digital age and detailed the benefits a student can get from e-learning in this era. Now, students will get all the facilities of e-learning free of cost under this MoA which is billed to be a major intervention in enhancing the Gross Enrolment Ratio (GER) in higher education in the state, said he.

Funded by the National Mission on Education through Information and Communication Technology (NMEI) of the Union Ministry of Human Resource Develepment, spoken tutorials aims at teaching programming languages, office tools, graphic and circuit design tools through audio video tutorials.

Singh said the three cardinal principles of education policy viz., access, equity and quality, could be served well by providing connectivity to all colleges and universities, providing low-cost and affordable access-computing devices to students and teachers and providing high quality e-content free of cost to all learners in the country.

To overcome the shortage of lecturers, as many as 6,647 lecturers will be made available by May 2017, Singh added.

The programme was attended by Principals and faculty of 31 government colleges.

Notably, the State Government has planned to take initiatives to make students computer literate and proficient in information technology to enable them to compete in the employment market. Compulsory computer education has been introduced and language labs have been set up in many colleges of the state.
