L. N. MITHILA UNIVERSITY

Kameshwaranagar, Darbhanga-846004 (Bihar)

Ref. No. : Dev.194-221/17   Dated : 31-05-2017

To

All the HODs, University Departments;
The Directors, Self-Finance Courses and
Principals, Constituent & Affiliated Colleges
L. N. Mithila University, Darbhanga

Sub.: Free Online Courses for UG and PG students.

It gives me immense pleasure to inform you that L. N. Mithila University, Darbhanga has entered into an agreement with the Spoken Training Tutorial Project of IIT, Mumbai for imparting Free Online Courses to the students of the University Departments and Colleges (constituents and affiliated). These Free Online Courses will be of the nature of add-on courses, besides the traditional courses that the students are offered.

Though not mandatory, they will be in line with the skill development programme of the Central Government. Apart from enhancing knowledge (and thus increasing Gross Enrolment Ratio from the present 12% for our state) they will enhance the employability of the students as well. **What is more, it will be totally free**. At the end of the course(s) students will have to appear at an online examination to be conducted by IIT, Mumbai. The successful candidates will get a certificate jointly from IIT, Mumbai and MHRD, Government of India. Needless to say the certificate will have global acceptance.

We are trying to streamline the process of enrolment of students to the different courses offered after taking into account their interests and suitability. The new academic session is about to begin and it is high time students and the concerned colleges/departments put their heads together and decide which courses to offer. It is in this context that we need some inputs from the concerned colleges/departments in the format provided below. This will enable us to do some spade work before the academic session starts. Time is running out for us and we have to take the plunge before it is too late.

Name of College	
Name of Principal	
Contact No	
Name of Co-ordinator	
Contact No	
List of Subjects offered by the College	
No. of Computers with UPS be spared for running these courses (Minimum – 04)	
Internet Status	
Wi-fi Status	

An early and prompt response shall be highly solicited.

Dear Dr K.K. Sahu Sir,

Thank You for sending all these documents, these are very concrete and University is moving in a very positive direction to train all its students. As discussed find below a short syllabus mapping department wise suggesting our courses.

Department Name	Recommended Spoken Tutorials
All Departments	LibreOffice- Writer, Calc & Impress, Linux, Firefox
Computer Science/IT/BCA/MCA	C, CPP, Java, Drupal, Python, Scilab, LaTeX
Chemistry	Jmol Application, GChemPaint, Avogadro
Biology	Cell Designer, Biopython, Avogadro
Mathematics	Scilab, LaTeX

Above mentioned mapping will help the committee in the inclusion of Spoken Tutorials in the academic syllabus of the University. We recommend LibreOffice Course (equivalent of M.S-Office) be mandated for the students of all departments. After that student can opt for applied courses. You may also find E-Brochure attached mentioning best of our courses.

Feel free to call/mail regarding queries.

Regards,
Aashraya Seth
