WORKSHOP ON SPOKEN TUTORIAL PROJECT

One day workshop on spoken Tutorials was organized by Amar Singh College in Collaboration with IIT Bombay on 26.9.2017. The workshop was attend by thirty five coordinators of the various Degree Colleges of the Valley. The purpose of the workshop was to impart training to the coordinators of different colleges on software training certificate course. The project is funded by National Mission in Education through ICT MHRD Government of India and implemented by IIT Bombay. The inaugural address was given by the Principal of the College, Prof. (Dr) Yasmeena Ashai who emphasised the role of ICT in education sector and appreciated the participation of Coordinators from various colleges of Kashmir Division in the workshop. Miss Hajra Bano the training coordinator from IIT Bombay gave a Powerpoint presentation on the theme and highlighted the various implementation aspects of the project. The presentation was followed by a healthy question answer session. The programme was coordinated by Prof. Syed Ishfaq Manzoor and Prof. Rashid Ashraf Malik of the department of Computer Applications and the vote of thanks by Prof. Asif Iqbal Kawoosa.
