Subject: Start Spoken Tutorial Training in all Departments

Madam,

I am the coordinator, Chanambam Noren Singh Asst. Prof. IT Department of Vocational Education and want to start training in all department of our college. I will work with you so I can get all students to start training, this training will help student to learn software different types. I will make sure that they should also appear for test.

Till today your guidance in each and mail/call and visit is energizing us to start training. We will prove our college as a best institute to take this opportunity and help other college.
