Dear All

As you all are aware that university is closed till 31st March 2020 due to COVID-19 precautionary measure. Department of CSE SEST, Jamia Hamdard under the deanship of Prof. M. Afshar Alam, as part of Spoken tutorial platform supports online FOSSEE courses. You all are registered for the same. Please open Spoken tutorial student dashboard if you have received mail for the same and access your online material. If you haven't received mails please go to spoken tutorial website student dashboard type your username and please select forgot password and you will receive link to update your password, update it and open your account and enrol into the registered courses . Most of the students attendance is marked so you can directly access the contents but if your attendance is not marked and you see message of waiting for attendance please feel free to mail me i will mark your attendance for accessing the online contents. More than 500 students of the department have successfully gained certificates from IIT Mumbai. Please utilise your time at home. PFA spoken tutorial image file for your reference. Please be safe at home.
