Yes ma'am... On batch is already graduated...
Other will take test this sem.

4:36 pm

Problem is c and cpp allocated together..
until we complete both c and cpp it shows
pending.

4:37 pm

Better if you can segregate the two in future..

4:37 pm

Ohhh you have to upload batches generally
department wise so that this problem
sholuld not occur..No problem will call you n
explain

TODAY

It is department wise only... Only issue is
in test conduction .. we need to do c and
cpp .. if we opt for any one and leave out the
other... This problem occurs.

2:46 pm

ohhh 3:00 pm ✓✓

will check with technical team what can be
done..

3:00 pm ✓✓

sir, in order to engage students during shut
down u can share Spoken Tutorial Material
with them

3:01 pm ✓✓

Sure. We've assigned the courses alre6
