

Dear Colleagues,

LNMIIT has been having a partner relationship with the Spoken Tutorials Center of IIT-B for some years now.

Here is their latest email with details and the link. Whatever parts are useful (in whatever way), please make use of these.

As a Dean (AA), I was coordinating with them in the past. I am not the official co-ordinator any more. But, if something useful can be done by me, I am there for you.

Best Regards,
Ravi Gorthi
