Dear Shri Lokesh Kumar Singh IAS,

Greetings from Spoken Tutorial IIT Bombay!

I hope this email finds you in good health. I am writing to inform you about the revised subscription fee for the Spoken Tutorial IIT Bombay IT Skill and FOSS Training Program. The subscription fee has been updated to Rs. 29,500/- per annum per college.

I would like to extend my sincere gratitude to the Department of Science and Technology (DST), Bihar, for successfully implementing the Spoken Tutorial program in all colleges under DST. The program has witnessed remarkable progress, with colleges conducting a good number of training sessions for students and faculty members.

To ensure transparency and keep all colleges under DST Bihar informed, we kindly request your support in intimating them about the revised subscription fee for the Spoken Tutorial program. The fee of Rs. 29,500/- per annum per college will be applicable from now onwards.

By participating in this program, colleges provide their students with access to a wide range of IT skills and Free Open Source Software (FOSS) training courses. These courses, certified by IIT Bombay-Spoken Tutorial, empower students with valuable knowledge and skills required in today's digital world.

We highly appreciate the efforts and dedication of colleges under DST Bihar in conducting the training sessions and encouraging their students to participate actively. The collective efforts have contributed to the success of the Spoken Tutorial program and its positive impact on student's academic and professional development.

We kindly request your esteemed department to communicate this revised fee structure to all colleges under DST Bihar and encourage their continued engagement and participation in the Spoken Tutorial program. Your support and

guidance play a vital role in the program's success and its ability to benefit
larger number of students.

Once again, we express our gratitude to DST Bihar for its proactive approach
implementing the Spoken Tutorial program. We remain committed to providing
support and assistance to ensure the program's continued success and the
development of IT skills among students across Bihar.

If you require any further information or assistance, please feel free to reach
to us. We appreciate your attention to this matter and look forward to your
continued support.

Thanks and Regards,
Renu Singh
