Ms. Jessie Velusamy  
Training Manager  
Spoken Tutorial-IIT Bombay  
Ministry of Education, Govt. of India

Dear Madam,

It is with immense pleasure that we announce the upcoming Faculty Development Program on “**Academic Writing-Enhancing Scholarly Skills**”, scheduled to be held from September 25 to 29, 2023.

On this joyous occasion, we take the opportunity to extend our heartfelt invitation to you as a Resource Person. Your expertise and insights would greatly contribute to the success of the program. We would be honored to welcome you for this faculty development program. A line of confirmation via email will be highly appreciated. The honorarium shall be extended as per university norms.

The link to join the online session Zoom is

<https://us06web.zoom.us/j/84606454232?pwd=RJDAQlqjSZS96b8Kdcp1gxVzT2gjb5.1>

Kindly consider accepting our invitation. Your participation would be greatly appreciated.

Thank you.

With Regards

  
**Prof. Anita Tomar**

### ABOUT THE UNIVERSITY

Sridev Suman Uttarakhand University was established as a State University of Uttarakhand, with the State Government notification No 270/XXXVI (3)/2012/48(1)/2012 dated 19th October 2012, following the amendment of the erstwhile Pt. Deen Dayal Upadhyay Uttarakhand Vishwavidyalaya Act in 2011. The university is nestled amidst the picturesque Himalayan ranges in Tehri Garhwal and has jurisdiction over seven districts, including Chamoli, Raudraprayag, Pauri, Tehri, Uttarkashi, Haridwar, and Dehradun in the Garhwal region of Uttarakhand. The university's Badshahithaul campus is strategically located between Chamba and New Tehri, offering a breathtaking view of the snow-capped Himalayas and the enchanting Bhagirathi Valley. With its location on the Delhi-Gangotri national highway, it enjoys seamless connectivity with major areas of the country, making it accessible to students and faculty members alike.

Pt. Lalit Mohan Sharma Campus, Rishikesh, the erstwhile autonomous college, one of the best academic institutions of the newly created Uttarakhand State catering to the academic need of the western part of Uttarakhand, is the new campus of the University. The Government of Uttarakhand decided to convert the college into a campus of the university to justify the historical facts regarding the city as the name "Hrishikesh" which is a combination of two words Hrishik (senses) and esh (God or master) is the perfect place to gain the highest quality of knowledge through penance (hard work) and devotion. Set against the backdrop of the Himalayas and with the pristine Ganga flowing through it, the ancient town is a hub of many ancient and new temples, attracting thousands of pilgrims throughout the year. The popular belief of Hindu devotees is that performing austerities in the holy town and offering prayers in the holy temples bring the much-needed attainment of 'Mukti' or salvation. The city is well connected with buses, trains from major areas of the country, and Air (Dehradun Airport at Jolly Grant is nearly 21Kms from Rishikesh).

### ABOUT FACULTY DEVELOPMENT CENTRE

The Faculty Development Centre (FDC) holds a significant place in the vision and mission of our esteemed university. It is envisioned as an essential component that will contribute immensely to academic excellence and research activities. The primary goal of the FDC is to play a pivotal role in promoting the professional growth of our faculty members, fostering their research competencies, and cultivating a culture of innovation and excellence in teaching.

#### OBJECTIVES

- Integrate Uttarakhand's cultural heritage into global education, fostering a culturally inclusive learning environment.
- Keep faculty updated on curricular shifts, policies, and education challenges, enabling effective adaptation and innovation.
- Encourage continuous knowledge update in cutting-edge research for enhanced faculty competence and growth.
- Empower faculty with ICT tools for effective teaching, learning, and evaluation.
- Promote understanding of education's link to society, development, and environment for socially responsible teaching.
- Provide skill-based teacher training for enhanced student employability while upholding expansion, equity, and excellence.
- Support beginning teachers through Faculty Induction/Orientation Programme for essential knowledge and skills.
- Offer discipline-specific refresher courses to keep faculty updated on advancements in identified subjects.
- Conduct Workshops for Academic Administrators to facilitate higher education reforms through effective management.

### ABOUT THE PROGRAMME

"To get to know, to discover, to publish - this is the destiny of a scientist"- *Francais Arago*

In the field of academia and research, publications are a universal aspiration that no one wishes to forgo. However, a comprehensive educational framework for acquiring these crucial writing skills remains conspicuously absent, adversely affecting career growth. Academic writing is a specialized form of communication designed to convey information effectively. It's an indispensable skill for any researcher who requires the ability to publish, disseminate, and authentically document their research findings. Unfortunately, many faculty members, young scientists, and research scholars lack sufficient exposure in this domain.

Our program addresses this gap by offering a concise yet comprehensive overview tailored to researchers seeking to enhance their academic writing proficiency. It equips participants with a foundational understanding of various facets of writing, thereby facilitating their research endeavors. An eminent guest expert will lead an engaging lecture, guiding and motivating researchers.

#### PROGRAM OUTCOMES:

- Distinguish various types of academic writings.
- Identify and prevent plagiarism.
- Develop essential skills for conducting high-quality literature reviews.
- Cultivate expertise in digital writing and Open Educational Resources (OER) development.
- Craft research proposals, conference abstracts, and book chapters or proposals, establishing a solid foundation for effective paper and thesis writing.
- Learn fundamental principles of research, review paper, synopsis, and thesis writing.
- Select quality journals, understand journal metrics (such as impact factors), and effectively navigate plagiarism detection and avoidance.
- Plan, execute, report, document, and present research work, including empirical studies.
- Prepare for thesis defense and access valuable writing and research resources.

Last Date of Registration- 20 September 2023

### TARGET AUDIENCE

Our program is designed for faculty members, young scientists, research scholars, and industry professionals seeking to write research papers but lacking practical experience. It provides valuable insights into the art of academic writing and is open to all who aspire to enhance their skills in this domain.

#### REGISTRATION DETAILS

[Tiny.cc/FDP1](http://Tiny.cc/FDP1)

#### Registration Fee

Ph.D. Scholars/ Post-Doc/	: ₹ 500
Faculty	: ₹ 950
Industry Delegates	: ₹ 5000
Foreign Participants	: \$ 100

The certificate of participation will be issued only to those candidates securing 100% attendance.

**No. of Seats:- 40**
