IIT Bombay

Dear Mr.H U Talawar,

We are delighted to offer software training to students enrolled in the ITIs, VTCs & Polytechnics under the DTE, Govt. of Karnataka. Sir, I'll be extremely glad to work with you and arrange the mentioned training programme for all relevant courses offered by you.

Spoken Tutorial Project is working on the National Mission on Education through ICT, MHRD, Govt. of India, to spread IT Literacy all over India. We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'. Our aim is to bring economies of scale to Karnataka and India, eventually. We are ready to support you in your efforts to train students on Basic Computer Skills, Software and IT.

Benefits to the students of ITI, Vocational Education and Polytechnic -

Students and Teachers will receive hands-on training on many useful software, absolutely Free of Cost. As a part of this training programme Certificates will be awarded by Spoken Tutorial Project, IIT Bombay

Software that are trained are very popular in job market, specially for students who take COPA course. For example, C, C++, Java, PHP & MySQL, Linux.Students from Vocational Education can be trained on Blender, an Open Source alternative of 3D Max and Maya, for Animation; GIMP, an Open Source alternative of Photoshop, for Photo Editing.

This training will be given FREE OF COST and will enhance EMPLOYABILITY for the students

We are already working with the (i) DTET, Govt. of West Bengal (ii) Youth Services Dept., Govt. of West Bengal, (iii) Higher Education Dept., Govt. of Gujarat and (iv) SSA, Govt. of Rajasthan and (v) Dept. of Technical Education, Govt. of Uttarakhand; Dept. of Technical Education, Govt. of UP; DTE, Govt of Haryana, DTE, Govt.of Jammu & Kashmir and the Ministry of defence. The above mentioned bodies have created Cell/ Hub or has appointed dedicated officers for Software Training activities through Spoken Tutorial project. We look forward to establish similar partnership with the DTE, Govt. of Karnataka.

Following are the steps to proceed further-

1. Share with us the existing courses you are offering to the students of ITI and Vocational Training
2. Share with us the information on the level of students trained under your dept. - X/ XII or College level
3. We will provide you our training model, software offered and other information related to Spoken Tutorial project

Based on (1) and (2) we can plan our offering for your students. If any kind of a proposal letter is required from our side, we can provide that also. Looking forward for your reply and hoping for a successful partnership.

Kindly write/ call me for any clarification.

Regards,

Anand Raj Ramachandran
