30th June, 2014

Letter of Agreement to partner with Spoken Tutorial Project, IIT Bombay to take our service as Knowledge Partner.

We are happy to collaborate with the Department of Collegiate Education, Karnataka as a knowledge partner. Spoken Tutorial provides ICT enabled learning of various software. *The project is a part of National Mission on Education through ICT, MHRD, Govt. of India, to spread IT literacy all over India.* We are promoting the learning and usage of Free & Open Source Software (FOSS), through an audio-video tool, viz, "Spoken- Tutorial".

We are ready to support you in your efforts to train students on Basic Computer Skills, Software and IT. The course and training will be offered free of cost to all institutions both Govt. and private.

- The spoken tutorial team of IITB will work with you and arrange the mentioned programme for all relevant courses offered in the colleges.
 - The team will support and guide all individuals at the colleges as they firstly introduce the training and gradually expand it to all.
 - The team will also provide brochures, leaflets, posters and any related publicity materials.
- 1) Department of Collegiate Education, Karnataka will announce, enable and monitor or track the training as it is introduced and expanded to all colleges.
 - 2) The Department of Collegiate Education website should announce this collaboration to make it reach to all. Instruction must also be given to load the courses to all computer lab systems.
 - 3) Each institute should nominate one coordinator, Faculty or officer who will organise the training in a systematic way to cover all the students in 2-3 semesters.
 - 4) The courses must be formally introduced as part of the curriculum, to be a value added resource.
