To

Ms. Akanksha Saini,
Executive Officer,
Training Co-ordinator, Assam,
IIT Bombay.

Sub:- Academic Knowledge partnership with IITB.

Madam,

We, Central Institute of Technology Kokrajhar (Centrally funded Institute under Ministry of HRD) want to be an Academic Knowledge Partner/ Resource Center of IIT Bombay.

Our Institute wants to collaborate with the aim to promote ICT based learning under NMEICT project of MHRD, Govt. of India.

Details of our plan under this partnership are as follows:-

1. To provide academic interaction by conducting workshops, training and online examination at CITK under NMEICT projects.
2. To promote learning on Free and Open Source Software (FOSS).
3. To get necessary support from IITB for E-learning materials, Virtual Labs and Virtual Classes at CITK.
4. Usage of e-learning material (spoken-tutorial) of IITB by CITK students and faculty members.
5. To help IITB in creation of e-learning content in local languages (Bodo and Assamese).
6. To conduct vocational training on FOSS for the students of different colleges/institutes of BTAD region.
7. To make clubs like FOSS club and making it public on institute website.
8. To promote and enhance academic interaction between CITK and IITB.
9. To encourage students and faculty members of CITK to participate in events of NMEICT based projects at IITB.

We look forward to this highly productive collaboration with the IIT Bombay.

Yours sincerely,

Pranav Kumar Singh
HoD (i/c), CSE Department
