Dear Dr. V. Kumar,

Greetings from IIT, Bombay! Such a pleasure talking to you today. I am delighted to get positive response from you to offer software training via Spoken Tutorial to students enrolled in Amity University, Jaipur. Sir, I'll be extremely glad to work with you and arrange the mentioned training programme for all relevant courses offered by you.

Spoken Tutorial Project is working on the National Mission on Education through ICT, MHRD, Govt. of India, to spread IT Literacy all over India. We are promoting the learning and usage of Free & Open Source Software (FOSS), through an Audio-Video teaching tool, viz, 'Spoken Tutorial'. We are ready to support you in your efforts to train students on Basic Computer Skills, Software and IT.

Benefits to the students of University

- Students and Teachers will receive hands-on training on many useful software, absolutely Free of Cost. As a part of this training programme Certificates will be awarded by Spoken Tutorial Project, IIT Bombay
- Software is offered to the engineering as well as non-engineering student, so all can learn irrespective of the stream or batch.
- This training will be given FREE OF COST and will enhance EMPLOYABILITY for the students.

We are already working with Anna University T.N, Bundelkhand University U.P, Himachal Pradesh University and Kumaun University, Uttarakhand and the list is so long. The above mentioned Universities have created Cell/ Hub or has appointed dedicated officers for Software Training activities through Spoken Tutorial project. *We look forward to establish similar partnership with the Amity University, Jaipur.*

If you are in agreement with the above please sign and send us the scanned copy. Happy to answer any question.
