Each identified faculty coordinator will:

1. Pick batches who are undergoing any lab course.
2. See if that particular course has any software being taught for which the matching Spoken Tutorial FOSS can be used. The e-brochure will list out all the available software for your various courses/ depts.. For more information, please visit
<http://process.spoken-tutorial.org/images/a/a8/E-brochure.pdf>
3. Load the FOSS in all the systems.
4. Let the students practice that FOSS for a few hours.
5. Upload that batch as Participant List in a Training Request that you will raise from our site (**spoken-tutorial.org**).
6. For Requesting training please visit
<http://process.spoken-tutorial.org/images/1/1f/Training-Request-Sheet.pdf>
and to upload the participants list, please visit
http://process.spoken-tutorial.org/images/c/c2/Participant_data.pdf
Once the Training gets complete, students will get their Learner's Certificate.
7. If exact matching is not found and you or the Faculty want students to take courses useful for employment like PHP MySQL or Python or Writing software like LaTeX (for their project submissions), you can accommodate that particular FOSS for at least 1 session.
8. Encourage faculty from other departments too to consider the same steps as above.

All the Department training officers are requested to note the training calendar given by Mr. Mohamed Kasim Khan, Coordinator STP from IIT Bombay, which is enclosed herewith as Annexure.

Your whole hearted cooperation is earnestly solicited for the effective and smooth functioning of the STP.

This may be kindly be treated as most URGENT for implementation of STP.

For any queries, please contact: **Mr. Mohamed Kasim Khan**

e-mail: mkasimkh@gmail.com
