Centurion University of Technology and Management

(Established Vide Orissa Act 4 of 2010)

Date: 01/01/2015

To: All Deans, HoDs and Faculty of Centurion University, Odisha

Sub: Centurion University – Knowledge Partner Spoken Tutorials, IIT Bombay giving Free Software Training to UG and PG students through distance learning

This is to announce that Centurion University has tied-up with Spoken Tutorials, IIT Bombay which is an NMEICT (www.sakshat.ac.in), MHRD, Govt. of India initiative to enhance the skill set of our students both UG and PG.

- Today it is necessary to introduce technology enabled learning in the teaching.
- The Tutorials are an easy self-learning audio video method to acquire knowledge and training on many software like **Linux, LaTeX, C, C++, Java, PHPMySQL, Blender for animation and so many more.**
- These are useful for both jobs (Skill focus courses) and for certain streams (Syllabus focus courses), to improve the course performance.
- Students can learn in their own labs and during the designated lab hours for computer and software training.
- Certificates will be awarded to all students who undergo the training

Dean & HOD action steps as follows :

1. Appoint 2 Faculty Co-ordinators to start the program. They could be drawn from Comp.Sc./IT, Maths, Physics, Commerce, MCA, MBA or any departments.
2. Each Faculty coordinator must write to Spoken Tutorials IIT Bombay team on how to get started. All guidance to be promptly provided by Spoken Tutorial.
Later training should spread in other departments gradually.

Ms. Trupti More (Training Co-ordinator) at truptismore@yahoo.com 09820096122.

Ms. Neelam Kamtekar (Training Co-ordinator- Odisha) at neelam78647@gmail.com 08080973200

Dr. Prajna Pani (Central Coordinator at Centurion University) at prajna.pani@cutm.ac.in 9437197131

To start the training, Faculty will follow the procedure given below :

- Create a Login ID and register into the Spoken Tutorial website.
Website: www.spoken-tutorial.org **Registration Link:** <http://spoken-tutorial.org/accounts/register/>

Centurion University of Technology and Management

(Established Vide Orissa Act 4 of 2010)

- Select a Software and a batch of students to start off, fix a date and make a Workshop/Training request using the given link and upload the participant details. **It is best to use their given lab hours set in the time table.** Where they are already studying that software it will be quite simple to do so. For others you can consider available lab hours or free hours.(see course/software suggestions below)

Instructions to request Software training: <http://process.spoken-tutorial.org/images/1/1f/Training-Request-Sheet.pdf>

- Before the start date load the selected Spoken Tutorials based software course in all the systems. Download in one computer system and copy into the rest. **To download the course tutorials-** <http://process.spoken-tutorial.org/images/1/1b/Download-Tutorials.pdf>

Course/ Software suggestions

UG, PG Comp. Sc., IT, BCA, MCA

MCA, MBA

Physics, Mathematics, Statistics,
Geosciences

Chemistry, Bio Sciences

Economics, Social studies, other Humanities

Animation and Multimedia

PG, PhD students and Teachers

**PG students from all the different Colleges
of the university (for their project/ thesis
writing & data management work**

Java, C, C++, Perl, Python, Scilab

Scilab, PHPMySQL (Web development, Database management)

Scilab (similar to Matlab) – Matlab costs 7-8 lakh Rs. Scilab is free

JMol, GChempaint (understand molecules and chemical structures)

Linux, LibreOffice (like MS-Office)

Blender, GIMP, Inkscape, Audacity

LaTeX – best for report writing

LaTex for their report writing and Scilab for Statistics, LO Calc (UG)
LO Base for Collection, classification, Tabulation of statistical data
– frequency distribution, diagrammatic and graphical
representation of data.
