Dear Vijay

You were already appointed in 2014 as the coordinator for training our students through the use of Spoken Tutorials developed by IIT B. I am renewing this appointment now with effect from 1st January 2015.

Kindly induct into your team one faculty member from each of the other departments; and let me have the complete list for notification of the same.

On the basis of this appointment, you may start to correspond with Ms. Akanksha Saini, IIT B, the coordinator of this project for Assam.

Kindly keep Fr. Joseph Nellanatt, the Pro VC, informed of all the developments in this collaborative venture.

Let us make this project truly productive and beneficial for all our students and faculty.

With kind regards,

Yours sincerely

Fr Stephen Mavely
