DIGITAL LITERACY

CHAMPIONSHIP

Organized by

**Open Source Technologies Club - GTU
Venus International College of Technology**

In association with

Spoken Tutorial Project - IIT Bombay

5th and 6th November 2015

Preamble:

In order to support the Digital India mission initiated by Hon. Prime Minister Shri Narendra Modi Venus International College of Technology situated at Bhoyan Rathod-Gandhinagar, has come up with **Digital Literacy Campaign**. It is to be noted here that Venus International College of Technology has been successfully working as an educational associate for spoken tutorial project IIT Bombay for last 3 years. Also under the umbrella of Open Source Technologies Club of Gujarat Technological University this institute is working as nodal centre of OSTC in Chhatral Sankul to spread awareness in the field of Open Source Technologies. Recently VICT has been identified as **Super Resource Centre** by Spoken Tutorial Project IIT Bombay. Only 5 colleges in Gujarat have been selected to become educational associate of Spoken Tutorial Project IIT Bombay and Venus is the only college in Ahmedabad-Gandhinagar-Mehsana Zone. Having been identified as Super Resource Centre by Spoken Tutorial IIT Bombay. Venus has taken up responsibility of spreading digital literacy especially in the field of Open Source Technology. In this context “Digital Literacy Campaign” was initiated by OSTC at Venus in the month of October 2015. In the last phase of campaign, **Digital Literacy Championship** has been organized by the college on the 5th and 6th November 2015.

About Digital Literacy Championship:

During Digital Literacy Campaign held at Venus International College of Technology in October – November 2015 more than 500 students from 10 nearby colleges have been trained in Open Source Software by faculty members of Venus with the help of Spoken Tutorial Project. To create active learning environment and to encourage more future participation Digital Literacy Championship was organized during 5th a& 6th November 2015 in the college campus. Digital literacy championship is first of its kind event ever organized by any institute in Gujarat. This competition has primarily been introduced to promote open source document preparation system called **LibreOffice**. Here training sessions were organized for participants to get proficiency in utilization of LibreOffice for normal and usual academic/office work. Training sessions were followed by different competitions to test the knowledge of participants.

Training sessions during Digital Literacy Campaign:

Throughout the Digital Literacy Campaign in October – November 2015 more than 500 students from 10 nearby colleges were called upon for training in different software like LibreOffice – Document preparation system, Ubuntu – open source OS and OSTC at Venus International College of Technology with the help of Spoken Tutorial Project provided them hands on training to get proficiency in the concerned software.

Digital Literacy Championship - The final Battle

A competition based on Applications of Libre Office was organized to test digital literacy of the participants and make them sound in the day to day use of open source software. 5th and 6th November 2015 were celebrated as **Digital Literacy Championship days** at Venus International College of Technology. More than 300 participants from 10 different colleges have participated in 8 various events. Participants were not only from degree engineering colleges but also from nearby Diploma Colleges, Architecture colleges and commerce colleges. Even students from paramedical branches like physiotherapy took the benefit of open source technology and participated in DLC. All the participants were trained through spoken tutorials and hands on session by faculty members before the competition. The event started with inaugural ceremony on 5th November where faculty members and directors of 5 different colleges were present. Final round and prize distribution of the championship were arranged on 6th November 2015. All winners were given prizes by G. P. Jain Charitable trust and Spoken Tutorial Project IIT Bombay.

બદલતા ભારતને સ્ટુડન્ટ્સે ડોક્યુમેન્ટરી દ્વારા ડિજિટલ ફોરમેટમાં રજૂ કર્યું

સા વસ અને ટેકનોલોજીએ આજે વિશ્વની કાચા પલટ કરી નાખી છે. ઇન્ટરનેટ જેવી આવિષ્કારી યોજના કારણે આજે દુનિયાના કોઈ પણ ખૂણામાંથી ભવિત સંકલ્પનો સંપર્ક કરી શકે છે. ભારત દેશ પણ ટેકનોલોજીના ક્ષેત્રમાં વિશ્વના દેશની સાથે કમ્પિટિશન કરી રહ્યું છે. જેને પ્રોત્સાહન આપવા માટે ડિજિટલ ઇન્િયા કોન્સેપ્ટ પણ તરતાર ઢાલ થોવ કરવામાં આવ્યો છે. ગુજરાતના સ્ટુડન્ટ્સ પણ ટેકનોલોજી અને તે ગુજરાત ટેકનોલોજી સંલગ્ન વિષય ક્ષેત્ર માટે ડિજિટલ સાક્ષરતા કમ્પિટિશન યોજવામાં આવી હતી.

ડિજિટલ સાક્ષરતા કમ્પિટિશનના આયોજકોએ આયોજન સમયે સૌથી ટેકનોલોજીની મહત્વની કંચી યોગે વિશિષ્ટ ઓન લાઈન અને ઓફ લાઈન સોલ્યુશન ઢાલ ડિજિટલ નવી શક્તિ છે તેવી કમ્પિટિશન યોજવામાં આવી હતી જેમાં ગુજરાતની ૩૦ કોલેજોમાંથી ૩૦૦ સ્ટુડન્ટ્સે ભાગ લઈને પોતાના કમ્પિટિવ ઓર્ટ રજૂ કર્યા હતા.

સ્ટુડન્ટ્સે ઢાલ આપેલ સૌથી ટેકનોલોજી ઢાલ કઈ યોગે ડિજિટલ નવી શક્તિ તેવા પર ફોકલસ સૌથી પુર્વી મેડિયમ, ટુપ ડિવિઝન, ઓપન ઇન્ટ સાથે ડિજિટ કમ્પિટિશન અને ડિજિટલ સેમિનાર ઢાલ ડિજિટલ આર્કિટિવ પ્રેજેન્ટ કર્યા હતા.

આ અને આયોજકો આઈ ઈન એ છે કે આઈઆઈટી ઓએ ઢાલ ઢાલ ઓપન સૌથી ટેકનોલોજી

ગુટીયુ સંલગ્ન એક કોલેજમાં ડિજિટલ સાક્ષરતા કમ્પિટિશનમાં સ્ટુડન્ટ્સે ઓપન રિસોર્સ ટેકનોલોજીનો કિએટિવ ઓર્ટ સ્ટુડન્ટ્સે રજૂ કર્યા

ગુજરાતની પણ પણ ક્ષેત્રમાં ઢાલવામાં આવ્યા છે જેમાંનું મેક કેન્ટર મહત્વની ક્ષેત્ર માટે પણ કરવામાં આવ્યું છે. આઈઆઈટી ઓએના ઓપન સૌથી ટેકનોલોજી અને ભારત સરકારના ડિજિટલ ઇન્િયા કોન્સેપ્ટનું સુખ્ય યોગે સાથે અને ડિજિટલ સાક્ષરતા કમ્પિટિશન યોગે કરી જેમાં ૩૦૦ સ્ટુડન્ટ્સે ભાગ લઈ ડિજિટલ સાક્ષરતા ડિજિટલ આર્કિટિવ રજૂ કર્યા હતા.

કોલેજનીય છે કે ભારતમાં ઢાલ ટેકનોલોજીના ક્ષેત્રે પુર્વ પ્રવેશિ કારણે આયોજન સેવા પર પોતાનું નામ આજે વધારી રહ્યું છે ન્યારે આ પ્રકારના કાર્યક્રમો ઢાલ સ્ટુડન્ટ્સને ટેકનોલોજીને જુલવામાં અને સમજવામાં માટે ખરી છે.
