**Subject: Developing Cooch Behar College as a RESOURCE Centre (RC).**

Dear Madam More,

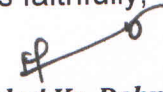

Thank you for your e-mail March 2, 2016. We plead our ability to act as the Resource Centre in the district of **Cooch Behar**.

This particular **SPOKEN TUTORIAL** initiated by the **IIT-BOMBAY** is very much beneficial to our college students. The department of Science, Commerce, Arts as well as BBA department of our **Cooch Behar College**, are getting satisfied with this initiative as though they are studying in general degree college, get a scope to perceive knowledge of Software. In fact, students are also taking advantage of the Video Tutorials to clear their doubts.

We are waiting for further communication from your end in this regard.

Thanking you,

Yours faithfully,
