Sir,

Sub: "Spoken Tutorial" programme offered a Audio-Video teaching tool promoting
ICT enabled learning - Extending the facility for SRM University - staff –
Requst-Reg.

SRM University is a leading University in India offering different courses in
Engineering, Arts and Science and Medicines both at UG & PG levels.

We have seen the details about your programme "Spoken Tutorial "an Audio-
Video teaching tool ,promoting ICT enabled learning offered by your institute. We
observe that this programme will be very useful for our institutions with additional
software knowledge which will be advantageous to our students in getting the
placement. Our faculty have enough knowledge in software training and a number
of software applications and programme languages.

Therefore we request your good office to kindly extend the facility of Audio-
video teaching for our University so that the programme can be made available to all
the departments/colleges/schools under our Univeristy. Our request may please be
considered favourabley and let us know whether we can use the facility through your
weblink.

Thanking you with regards,

Yours sincerely
