IIT Bombay

Proposal with Directorate of training & Technical Education (DTTE) - Delhi

Objective

IIT Bombay, Spoken Tutorial (ST) program to work with the DTTE towards empowering all students pursuing Vocationals; Diploma courses by providing a range of IT Skills training, from General IT/ Computer Skills to Programming software to lucrative job oriented software training. Easy to learn on their own, distance learning on their campus.

Why DTTE (Delhi) ?

Work has been going on this direction and the response from the ground is excellent in terms of acceptance and ability to do very well in the training. Over 20,000 students have been trained in proving the success of this method. With proactive involvement of DTTE, each and every student can be benefitted. *No one left out ! Target 100% of Polytechnics colleges. To start in July 2016.*

Delhi DTTE Steps for Proactive Implementation - (July 2016)

Vision/ Mission to enhance to promote Skill Development in Universities spreading IT literacy awareness through the online portal, learning and Innovative educational programmes that integrate and maximize the benefits of information technology by E-learning initiative -Skills providing, E-learning, ICT enabled learning

1. Providing widespread awareness in a periodic and timely manner. (done by DTTE)
2. Facilitate periodic trainings of teachers (to be conducted by Spoken Tutorial team/ resources)
3. A status updating and monitoring system for work done put in place by next term July 2016, and to be implemented by the DTTE. Methods to be worked out.
 - Syllabus of universities
 - Time-tables/ Calendars of colleges
 - Publish status in website - Portal for registering, E-Newsletter, Regional reports

Support from IIT Bombay team

1. Guidance from the starting and continuing for each and every college for life.
2. Send brochures etc. To be used during orientation time when colleges reopen.
3. We will provide course mapping for all the streams.
4. Working to sensitise and train faculty too periodically.
