Subject: Proposed Spoken Tutorial Planner for Upcoming Semester

Dear Madam,

Greetings from A P Goyal Shimla University!

We are highly obliged to you for accepting our request for the spoken tutorials to be organized in our University. We are planning the following courses for all 1st year students of Engineering as a start up for this programme. After the successful completion of this we will add more courses to it. We are interested in the following courses:

1. Basics of Computer & C Programming.
2. Scilab

Mr. Shamneesh Sharma (Department of Computer Science & Engineering) has been nominated the Chief coordinator for this Spoken Tutorial Programme.

Please consider these courses as STP to be organized in our campus and guide us for further proceedings.

Thanks & Regards

Capt. Sunil Sharma
Head - Placement Cell
