All Affiliated Institutes
Conducting AICTE approved Diploma Courses

Sub- Regarding conducting “Spoken Tutorial Software Training”.

- Ref-** 1. Letter from IIT Bombay. Dtd- 12-06-2015.
2. This office Web Circular No.MSBTE/D-55/Spoken Tu. Soft Training./2015-16/4801,
Dtd-23-07-2015.

Maharashtra State Board of Technical Education has been taking greater strides in abreasting the teaching faculty and students with the latest technological developments for better understanding, delivery and successful transfer of knowledge.

A ‘Spoken Tutorial Software Training’ program which is an initiative of MHRD, NMEICT. Government of India advocating use of free and open source software has been made available by IIT, Bombay for the students and faculty of Polytechnics and Pharmacy Institutes.

The “Tutorial Software Training” programs are available for **FREE**. The software can be loaded in the computer systems and made available to the students as an added advantage for clearer and better understanding of subjects.

MSBTE had issued a web circular (No.2 under reference) for all Principals to ensure utilization of these softwares. The undersigned during the Principals meet at all Regions had emphasized the usage of the softwares for the benefit of students and staff. However, the response has been observed to be lukewarm.

All institutes are again advised to conduct the training programs (one per semester) at their institutes. The courses may be chosen as per subjects offered at each semester. Institutes who have conducted courses earlier can continue to further do so.

All the Head of Institutes shall nominate a faculty coordinator for the purpose, who in turn should contact the **Maharashtra Coordinator Vidya Kadam on 08108536102 or email stmaharashtra@gmail.com.**

The procedure for organizing the Spoken Tutorial Trainings at institutes is as per attached Annexure. It's hoped that the Head of Institutes shall utilize the facilities provided for the benefit of students and staff.
