

About Amal Jyothi

Amal Jyothi College of Engineering has established itself as a benchmark of excellence in technical higher education and research. Founded in 2001 by the Catholic Diocese of Kanjirappally, Amal Jyothi is approved by the AICTE and affiliated to APJ Abdul Kalam Technological University (KTU), Kerala. It is the first new generation engineering college in Kerala with the prestigious NBA accredited departments and the first and only engineering college in Kerala with the recognition of 'A' grade from NAAC.

About CCE

Centre for Continuing Education Amal Jyothi College of Engineering

Centre for Continuing Education (CCE) in AJCE is a venture for creating well qualified and well equipped engineering teachers and research scholars. CCE is mainly focusing on the improvement of the faculty, Researchers and PG students who are really passionate about teaching and thereby improve their teaching, training and research skills. CCE also supports and encourages Faculties, staff and PG scholars to startup with their research works and also support research scholars to continue their works.

Prospective participants

Spoken Tutorial Coordinators from institutions under A P J Abdul Kalam Technological University, Kerala and Faculties from all branches of Engineering, MCA and Arts and Science Colleges.

After the successful completion of the workshop, each participant will get ISTE - CCE certificate for the same.

Advisory Board
