Instruction Sheet for Video Editing Using Blender
Spoken Tutorial Team
IIT Bombay

1 Online / Offline content

1. The online content of Spoken Tutorials can be accessed from :
https://spoken-tutorial.org/tutorial-search/

2. You can also download the Spoken Tutorials for offline learning from :
https://spoken-tutorial.org/cdcontent/

3. From this link download the FOSS categories in the language you wish to learn.

4. The Spoken Tutorial content will be downloaded as a zip file on your machine.

5. Extract the contents of the zip file & access them.

6. Read the README.txt file and do as instructed.

2 The procedure to practise

1. You have been given a set of spoken tutorials and files.

2. You will typically do one tutorial at a time.

3. You may listen to a spoken tutorial and practise by reproducing all the steps shown in the video `Side-by-Side method`.

4. If you find it difficult to do the above, you may consider listening to the whole tutorial once and then practise during the second hearing.

3 Side-by-Side method video (only for offline content)

1. Go to the folder named spoken on your machine.

2. Locate index.html file.

3. Open this file with either Firefox or Chrome web browser.

4. The Side-by-Side Method video will appear. This video will explain how to learn from the spoken tutorials.

5. Click on the Play button to play the video.

6. Note all the steps explained therein.

4 Video Editing Using Blender

1. Click on `"Select FOSS"` or `"All FOSS Categories"` drop-down and choose `"Video Editing Using Blender"`.

2. Click on `"Select Language"` or `"All Languages"` drop-down and choose the language (English, Hindi, ..) in which you wish to learn.

3. Click on the `''Search''` or `"Submit"` button.

4. You will see a list of tutorials based on your selection.

5. Start with the first tutorial in the displayed list.
