About the Spoken Tutorial project

- Self explanatory - uses simple language
- Audio-video - uses multisensory approach
- Small duration - has better retention
- Learner-centered - learn at your own pace
- Learning by doing - learn and practice
- Simultaneous empowerment - learn a new FLOSS

Target Audience

- People interested in developing their own websites

Workshop

The Spoken Tutorial Project Team conducts workshops on Joomla and other FLOSS using spoken tutorials and gives certificates to those who pass an online test.
